Snacks must be purchased by the member child at the Snack Bar. In case of thunderstorms or rain, the staff member brings the children inside and notifies the NHLC Front Desk about the group's location.

Please make sure that staff has current cell phones and names on file for all people who may pick up your child or to be contacted in case of emergency.

Please make sure the Summer Program has an **epipen** for your child if they have a severe allergy.

- Full-day (9 am–3 pm) campers may sign up for Beforecare (8:30–9 am) and/or Aftercare (3–5:30 pm). Children ages 3–5 (in the 9 am–12 noon camp) may sign up for Beforecare beginning at 8:30 am. However, Aftercare (3–5:30 pm) is **ONLY** for children entering grades 1–6.

As children have diverse interests and preferences in the design and development of their play, the age range in our program enriches the children's day and provides a family-style atmosphere.

Tennis and Squash during the NHLC Summer Program Day

Please read this page carefully as it explains choices NHLC families have regarding tennis and squash summer registration.

Please note that for tennis, white clothing is required to play, while for squash, squash footwear is required for play. The Squash and Tennis Shops of NHLC sell gear needed to participate in the respective sport. The Directors may be contacted for additional information/questions or to register for their own athletic camps which are held at the New Haven Lawn Club:

SKAKLETENNIS ACADEMY

Director: Clifford Skakle, nhlctennis@gmail.com

Pinnacle Squash Program

Director: Lynn Leong, lynn@pinnaclesquash.com

Summer program instruction at NHLC in both tennis and squash offers a fun introduction to each sport so children can develop a love of the game and build a foundation upon which to grow. Daily summer program tennis clinics are taught by the professional staff of SkakleTennis, while squash clinics are taught by Lynn Leong's pros. Both Cliff and Lynn work closely with their pros to ensure that instruction is appropriate for children's growing athletic abilities and provides young stars with some key fundamentals that will "serve" them well for the rest of their lives.

For the 3 to 5 year olds, tennis is offered daily beginning at 9:15 am, and children must wear all white when they arrive at the summer program, and bring a set of play clothes to wear later in the morning.

For children entering grades 1-6, tennis is offered from 10:20-11:05 am; for

this age group, children are encouraged to arrive in play clothes but must pack tennis whites daily and will be given time to change prior to playing tennis, as our morning theme-related activities are frequently hazardous to white clothing.

Squash clinics are offered during the weeks of July 6-10 and July 13-17 ONLY. During these two weeks of the summer program, children entering grades 1-6 may choose between either the squash or tennis clinic. Children will gain experience with many aspects of squash: drives, drop-shots and cross-courts among others, along with keen competition, good sportsmanship, mental toughness, physical agility, and having fun with squash-mates!

NHLC Families may also register for a Split-Day Camp, where children attend **SKAKLETENNIS ACADEMY** 9 am-11:45 am, then join the NHLC Summer Program campers until 3 pm. Children who follow this program will join the Summer Program for lunch, afternoon sports, swim lesson, and free choice time block (arts & crafts, free swim, Legos®, imaginative play), but will be at **SKAKLETENNIS ACADEMY** when most theme-related programming takes place.

Families enrolling in **SKAKLETENNIS** who need child care coverage on Friday afternoons (when **SKAKLETENNIS** ends at 1 pm) may enroll in the Summer Program (check "Add-on Friday" on registration form) on these Fridays from 1-3 pm.

Swim Lessons during the Summer Program Day

Swim lessons during the summer program allow our novice, intermediate and more advanced students to enjoy their experience in the pool while increasing their stroke skills and abilities. Attention will be given to stroke and strategies for improving. Members will also be instructed in proper breathing techniques. Our more advanced swimmers will learn about and hone their craft at the four major swim strokes: freestyle, backstroke, breast stroke and butterfly, as well as learning diving techniques. The focus will be on personal improvement and activities will be tailored to individual swimmers. The program encourages swimmers to share a love of the water and knows that children share a desire to have fun! Our ultimate goal is to help children at all levels gain increased confidence and skill in the water. Children will be instructed daily in a small group setting which is designed to fit their abilities. Instructors will give daily 1/2 hour lessons reflecting the expectations, techniques and outcomes set forth by the NHLC Pool Director, Scott Butler.

Scott Butler

Swim Program Director and Specialty Swim Camp Instructor

Scott Butler joined the New Haven Lawn Club staff in 2001 and has not looked back since. Under his positive leadership, the swim team has flourished, growing from a team of 15 members (in 2002) to a team of over 60 members (2010). Scott won the "Swim Coach of the Year" from the *New Haven Register* and is the President of the Connecticut Private Club Swim League, in which the Lawn Club competes in during the summer. During the Fall and Winter seasons, he coaches the Branford Hornets varsity Swim teams. Scott holds a bachelor's degree in Business Management and Marketing from Bryant University and a Master's degree from SCSU in Mathematics Education. He currently is in his 15th year teaching seventh grade mathematics at Walsh Intermediate School in Branford. He and his wife, Tracy, have five children: Owen (12), Megan (10), Logan (7), Emily (4) and Finn (2).

Scott Butler's Specialty Swim Camps

Novice, Young Competitor and Competitor Camps

Instructor: Scott Butler

The NHLC Swimming Camp is a way for moderate to avid swimmers to hone their craft under the direct instruction and supervision of Scott Butler.

Please read the descriptions carefully to select the level that is a correct match for your child. Applicants must be reviewed and accepted by Scott Butler to the levels within this program.

All swim camp participants will receive two individual lessons with Scott Butler during the week as well as participating in two 45-minute block group lessons. The campers also participate in the theme-based activities that take place throughout the Summer Program day. During all swim lessons, children need to bring and wear goggles. Children with shoulder length hair or longer should bring and wear a bathing cap during the lesson to promote proper head position and to deter from habits formed by hair getting in the way.

Novice: July 6–10

Typically, this child cannot swim lap of the pool, lengthwise. The deep end of the pool is not their most comfortable place in the pool) Children will learn the basics of the front crawl (freestyle) and the back crawl (backstroke) and be introduced to breaststroke and butterfly. (Novice level will in general be for ages 5 to 7, but children sign up according to their ability level.)

Young Competitor: July 13–17

This swimmer can swim multiple laps, but needs to work on rotary breathing and proper stroke technique. Children will be taught multiple drills that will improve technique and stamina. Typically, this child is on the swim team, is close to making that decision, or is just motivated to improve their strokes. In addition to helping hone the 4 strokes we will discuss the entire "swim team experience"; including their expectations, their coach's expectations, and those of their parents. (Young Competitor level in general ranges from ages 6-8, but children sign up according to their ability level.

Competitive Camp: July 20–24

This camp is for swimmers who have been on the NHLC swim team during past summers or swim competitively during the winter months. The Competitive Camp program of instruction will give each participant an opportunity to work on specialty strokes in small groups with instruction tailored specifically to the their strengths and weaknesses. With the Connecticut Private Club Championships scheduled for the following week, this will give participants a wonderful opportunity to perfect strokes just before the 'big' meet.

NHLC Summer Program Staff

Jen Russo, NHLC Summer Program Director, returns to NHLC for her second summer (Assistant Director at NHLC during 2014). She received a Bachelors of Science in Art Education and a Masters in Psychology from Southern Connecticut State University. Jen's prior camp administrative experience has included eight years with Monroe's Park and Recreation Camp: two years as Assistant Director, four years as Art Specialist, and two years as a Counselor. She taught art in Rowayton Elementary School in Norwalk, where she piloted an international art exchange with Guatemala, participated in and organized art shows. During the school year, Jen enjoys teaching art at Peck Place Elementary School in Orange, CT, to children in grades kindergarten through sixth. She also has a strong dance and theater background, and loves sharing her passion for the arts with others.

Miriam Feinstein, NHLC Summer Program Manager, returns for her sixth year at NHLC, playing a "behind the scenes" role in helping design and run the NHLC program. She is a native of New Haven, who spent her early years at the Foote School and went on to gain more than twenty years of experience helping PreK-12 students discover their delight in learning. She has worked as a teacher, a curriculum developer and as an administrator for camp and afterschool programs. She received a Master in Education from SUNY New Paltz. She holds certification from the state of CT in general science, visual art and elementary education. She has taught Science grades K-6 at Ezra Academy, in Woodbridge, CT; Art at Common Ground High School in New Haven and Institute for Collaborative Education in New York City. She lives in New Haven with her two sons and their large Labrador retriever.

Amy Cordon, Head Counselor, returns for her fifth summer at NHLC. She graduated from St. Joseph College with a Bachelor's Degree in Biology in 2002 and received a Master in Education from University of Bridgeport in 2004. Amy enjoys teaching 6th grade at the Waterbury Arts Magnet School, where the education focus is academics and arts. While teaching at the Waterbury Arts Magnet School, she has been the advisor to the Student Council in which she encouraged kids to help their school and community. In her spare time, she enjoys hiking.

Lea Hanko, Head Counselor, returns for her fourth summer at NHLC. She completed her Master in Education degree at Sacred Heart University and received her BA from the University of Connecticut. While at UConn, Lea played intramural water polo and continues her athletic interests by participating in half-marathons. She teaches 9th grade English at Shelton High School.

Kelsey Connolly, Early Childhood Head Counselor, is a speech-language pathologist for New Milford Public Schools, and works with children from preschool to third grade. She has a Master's degree from Southern Connecticut State University in Communication Disorders, and attended the University of Connecticut for her undergraduate studies. Kelsey enjoys singing, playing music, dancing, and reading in her spare time. She is excited to work with the little ones for another year!

Assistant Counselors in the Summer Program have enthusiasm and delight for working with children as well as a motivated work ethic. Each Assistant Counselor brings a unique set of skills, athletic and/or artistic, which enrich the children's day and experiences.

Symone James, Assistant Counselor, returns for her third summer at NHLC. She is a student at the University of Connecticut majoring in elementary education and is passionate about working with children. She is part of a dance group at UConn and volunteers in Hartford as an, elementary school tutor and as a student mentor.

Natalie May, Assistant Counselor, returns for her third summer at NHLC. She is completing her undergraduate degree at Wesleyan. Her interests include theatre, psychology and forensic science.

Maegan Rodriguez, Assistant Counselor, returns for her third summer at NHLC. She is a Pre-Nursing major at Western Connecticut State University. She is the class representative on their softball team and has volunteered helping with youth softball clinics as well as with a local Girl Scout troop.

Geisa Wilkins, Assistant Counselor, returns for her second summer at NHLC. She is currently a freshman at Sacred Heart University, where she is actively involved in the SHU Dance Company, and belongs to the Roncalli Community Council. Working at the New Haven Lawn Club inspired Geisa to pursue a career as a pediatric nurse. She is currently majoring in nursing as well as minoring in performing arts with a concentration in dance. Seeing a child's smile always makes her day brighter!

To the Parents of Our Future—the Children

The **SKAKLETENNIS ACADEMY** & Junior Development programs of the New Haven Lawn Club are preparing to *Flow* again in 2015!!

Such tremendous progress has been made in establishing a solid tennis foundation for our junior tennis super stars of NHLCL. Implementing the base teaching philosophy of “Flow & Progression”, which falls under my InFLOW™ umbrella, has been key in each stage of development—from the BabyElephants to our competitive Strikers. We have gained further momentum throughout the Fall/Winter with successful campaigns of Junior Team

Tennis, and the surge will undoubtedly continue as we hit the Har-Tru & Performance courts in early Spring!

Education, passion and continuity are vital ingredients for any staff of merit, so I am pleased to convey that the professionals of SkakleTennis

meet those standards. The USPTA heartbeat of my staff, Jeff & Michael, return in their pivotal roles for a sixth season, and are joined by Pat Gilhuly, who completed his certification this winter and is primed to make a difference. Rebekka Chenard, UNE graduate, has gained valuable on court experience with the Strikers & the New HYTEs initiative, so she will be expanding her role as Tennis Concierge. And FlowInstructor, Becca Mauri, will be returning for a 2nd season, as a rising junior at St Joseph. All of this bodes well for the integrity of our program, and the growing confidence at all levels of development “Inside the Fences” at NHLCL!

With our foundation intact, we continue to strive for challenging goals: **InProviding** a developmental stage that is a conducive blend of learning/fun, and absent of tension; **InDeveloping** our youth with passionate progression at all levels; **InTeaching** concepts/lessons inside the fences that will be equally applicable in other areas of life; and last but not least, **InEncouraging** them to experience this joy with their friends and family, and “To Play” for a lifetime. These define our success **InFLOW™**!!

May the smiles and laughter be often this season, and may this wonderful game of tennis be a source of well being for all of us. As Director of Tennis, my desire is that our **SKAKLETENNIS ACADEMY** will be a wonderful setting for just that!!!!

Clifford Skakle, USPTA Elite, Director of Tennis, InFLOW™
